

Yes!

there are still places left for girls who would like to make their Debut in 2009

Being a part of a larger group with couples you may not know is a great way of meeting new friends and mixing with other couples from other schools or walks of life.

You don't have to attend school.

You may be undertaking an apprenticeship or traineeship or have full time employment, or go to a secondary, TAFE or University it doesn't matter.

It doesn't matter how old you are:
you can be 18,20, 22 or older it doesn't matter.

Were you disappointed with you Debut
Maybe you have already made you're debut but it wasn't what you'd hope for, although the idea is that you only make your formal debut once, it really doesn't matter.`

You live in Geelong!!!

A special evening at Capri Receptions has been organised , we just need the girls.

Come on do you Debut with Style, tradition and sophistication.

If you're unsure, contact me 03 9749 2897
