

2010 Debutante Balls

Do you live in the Casey area. There will be a Debutante Ball held on the 15th October 2010 at Princess Court in Mulgrave.

Be a part of this fabulous evening. Don't miss your chance. Read on for more information and get your enrolment form with your deposit organised.

Please note that when you are choosing a date you don't have to fill the entire number for that Ball. Providing there are places available you can book for any number from one couple to the maximum number of couples.

Being a part of a larger group with couples you may not know is a great way of meeting new friends and mixing with other couples from other schools or walks of life. You don't have to attend school. You may be undertaking an apprenticeship or traineeship or have full time employment, or go to a secondary, TAFE or University it doesn't matter. You can also be older than most, as long as you would feel comfortable with a group of 16 – 18 year olds you can be 20, 22 doesn't matter.

Maybe you have already made your debut but it wasn't what you'd hope for, although the idea is that you only make your formal debut once, it really doesn't matter.

If you're unsure, contact me 03 9749 2897

Debutante Presentations currently have two practice venues:

Warringa Park School, Warringa Crescent, Hoppers Crossing

Practices at this venue will be conducted on a Sunday evening scheduled between 5.30pm and 10.00pm. Practice for each group will go for between 90mins to 120 minutes depending on scheduling. This venue will be used for all Werribee, Altona and Williamstown groups.

VU Secondary College, Jamieson Street, St Albans

Practices at this venue can be organised for Monday evenings, early Wednesday evening. Tuesday evening is a possibility depending on what months.

Melton, Bacchus Marsh Area

I don't currently have a practice venue in the Melton area, however if I was to have a group which consisted of all participants from the Melton Bacchus Marsh Areas I would endeavour to organise a venue in this area.

Other Areas

If you are from another area and you have a full group I will endeavour to organise practice at a local venue for you.

Not a problem

I'm happy to discuss organization of an Evening for Groups from any part of Melbourne or Country areas depending on the suitability of a Reception venue being available within your area or within an area you're will to travel.

Places on hold, are held for fourteen days allowing applicants time to complete and forward enrolment forms and deposit. Some times applicants do not continue with their enrolment and therefore places on hold become available.
