

## 2011 Debutante Balls

Please note that when you are choosing a date you don't have to fill the entire number for that Ball. Providing there are places available you can book for any number from one couple to the maximum number of couples.

Being a part of a larger group with couples you may not know is a great way of meeting new friends and mixing with other couples from other schools or walks of life. You don't have to attend school. You may be undertaking an apprenticeship or traineeship or have full time employment, or go to a secondary, TAFE or University, it doesn't matter. You can also be older than most, as long as you would feel comfortable with a group of 16 – 18 year olds you can be 20, 22 doesn't matter.

Maybe you have already made you're debut but it wasn't what you'd hope for, although the idea is that you only make your formal debut once, it really doesn't matter.`

If you're unsure, contact me 03 9749 2897

## Debutante Presentations currently have two practice venues:

### **Warringa Park School, Warringa Crescent, Hoppers Crossing**

Practices at this venue will be conducted on a Sunday evening scheduled between 5.30pm and 10.00pm. Practice for each group will go for between 90mins to 120 minutes depending on scheduling. This venue will be used for all Werribee, Altona and Williamstown groups.

### **VU Secondary College (formerly Brimbank Secondary College)**

#### **Jamieson Street St Albans**

Practices for this venue will be conducted on a Monday evening scheduled between 5.00pm and 9.30pm. Also can be used for Wednesday evenings between 4.30 and 6.30. Practice for each group will go for between 90mins to 120 min depending on scheduling.

This venue at the moment will be used for all Sydenham, Taylors Lakes and Sunshine based groups

#### **Melton, Bacchus Marsh Area**

I don't currently have a practice venue in the Melton area, however if I was to have a group which consisted of all participants from the Melton Bacchus Marsh Areas I would endeavour to organise a venue in this area.

#### **Other Areas**

If you are from another area and you have a full group I will endeavour to organise practice at a local venue for you.

# Bookings have been made for Debutante Balls for the 2011 Debutante Season

Dates at these two venues are very difficult to get with the only opportunity for additional dates at Lakeside Banquet and Convention Centre is if there are cancellations.

Some dates are still available in 2011 at The Luxor Function Centre Both of these venues are operated by the same organisation and the quality of food and service the same.

*Check the Web for more information and to see pictures of the two function centres [wedding-melbourne.com.au](http://wedding-melbourne.com.au)*

If you have a full group and are wanting an additional date to those listed every attempt will be made to accommodate your group.
