

2012 Debutante Balls

Please note that when you are choosing a date you don't have to fill the entire number for that Ball. Providing there are places available you can book for any number from one couple to the maximum number of couples.

Being a part of a larger group with couples you may not know is a great way of meeting new friends and mixing with other couples from other schools or walks of life. You don't have to attend school. You may be undertaking an apprenticeship or traineeship or have full time employment, or go to a secondary, TAFE or University, it doesn't matter. You can also be older than most, as long as you would feel comfortable with a group of 16 – 18 year olds you can be 20, 22 doesn't matter.

Maybe you have already made your debut but it wasn't what you'd hope for, although the idea is that you only make your formal debut once, it really doesn't matter.

If you're unsure, contact me 03 9749 2897

Bookings for the 2012 Debutante Ball Season have been made at both Lakeside Banquet and Convention Centre and Melrose Receptions.

Dates at these venues are very difficult to get with Lakeside requesting that for 2012 I reduce the number of my normal bookings. If you're wanting Lakeside for your evening you will need to book early. It may be possible to get additional dates at Lakeside Banquet and Convention Centre and also Melrose if I have a confirmed group of girls so you can always request a specific date and we will see if it's available.

I can also book other venues, if they have dates available, such as Luxor, the Manor on High, Princess Court or any other venue responding to your specific requests and requirements such as location.

So, if you have a full group and are wanting an additional date to those listed every attempt will be made to accommodate your group.

Check the Web for more information and for links through to some of these venues.

Once you've picked your date from those listed below what do you do next?.....

Once you have decided on a date, please ring or email with your name, address, phone number and your chosen date, if there is still a place available, your position will be held in the group for the period of 14 days from date of this contact.

Not a problem

I'm happy to discuss organization of an Evening for Groups from any part of Melbourne or Country areas depending on the suitability of a Reception venue being available within your area or within an area you're willing to travel.

Places on hold, are held for fourteen days allowing applicants time to complete and forward enrolment forms and deposit. Some times applicants do not continue with their enrolment and therefore places on hold become available.
